

Who is responsible for your data?

(only to be included if Blackpool Council is not the data controller or there is a joint data controller)

Joint Data Controller with Rhea Projects Ltd who are the managing agents for the programme

Why do we collect your information?

Please describe the service you provide and why you are required to collect personal data to deliver the service.

To enable us to offer advice to residents on their eligibility for home energy grants.

What is our lawful basis?

Please complete and delete as appropriate.

Please note if you have selected c) or e) you must specify the legislation.

The IG Service will insert an Article 9 basis if appropriate.

The lawful basis for the council to collect and use your personal information is because:

- It's necessary for the council to perform a task in the public interest or whilst conducting its official functions, and the task or function has a clear basis in law.

This is underpinned by The Home Energy Conservation Act.

What types of information do we collect?

Please describe the categories of personal data you are required to deliver your service effectively.

To deliver the programme effectively we are required to collect: Name, address, date of birth, email address, telephone number, financial information, tenure and property information.

Who do we share your information with?

Rhea Projects Ltd who are the managing agents for the programme.

Department for Energy Security and Net Zero (DESNZ) for funding purposes.

We do not transfer your information to a third country (that is a country outside of the EEA).
